Data Protection

Opt-Out Procedure

The privacy of your information is important to Hi-Pro Pressure Products Ltd. Our “Privacy Statement/Data Protection and GDPR Policy Statement” explains how we use data and how we protect it.

However, if you should still wish to “Opt-out” you can do so at any time by writing to the address below or by emailing to contactus@hi-pro.co.uk. You should include your full name, the name of your business and any other relevant details for us to clearly identify you and your company. We will then delete you from our promotional mail-out system but may need to retain your details in our business systems if a request for a quotation or an order from you is in process. We may keep your data for up to 7 years (statutory record keeping requirement) after an order has been processed.

If you should contact us again to place another order, we will add you to our CRM database as this is how we keep a track of the progress of your quotation or order, but after the order has been completed, we will ask for your permission before including you in our promotional mail-out system.
